COMPETITION PROCEDURE

Each round is evaluated based on three main components, each scored on a scale of 0 to 10 and weighted by a specific coefficient: Jumping Technique (Coefficient 3) Marked out of 10 evaluates the take-off, sharpness (both front and back), bascule, and landing. Scope and style (Coefficient 4): Marked out of 10 assesses the ease of a natural jump, quality of the canter, and overall attitude and confidence. Rideability and General Impression (Coefficient 3): Marked out of 10 focuses on how the horse performs between fences by considering harmony, rhythm, looseness, suppleness, natural balance, correct canter leads and striding, and the overall impression

Together, these scores contribute to a total possible mark of 100

Scoring:

- All jumping classes are conducted under the Equestrian Australia Jumping Rules.
- Horses will be judged on jumping technique, scope over fences and ride ability between fences i.e. correct number of strides between related distances, being on the bit, changes etc. for a total score out of 100.
- **Penalties:**
 - Each rail down: 4 points deducted
 - First refusal: 4 points deducted
 - Second refusal: 8 points deducted
 - Third refusal: Elimination from that competition.
